I may be in Fall River District Court this afternoon (I'm on call), so you can try me at the lab or just call my cell. Thanks.

Hi Sonja,

Thank you for getting back to me. At present, the case is going forward. I will ask DC if they want to stipulate but I doubt it. I will call you this afternoon to nail down our plans.

Thanks,  
Jim

Jim-

Just checking in to see what the status is of the [REDACTED] case scheduled for trial on Thursday, March 24 in New Bedford District Court. I'm guessing no pleas or stipulations, but please let me know if I am wrong. Also, if everything is still scheduled as planned, do you want me there early in the morning, or would you rather have me on call? It would probably take me 2½ to 2¾ hours to get to the courthouse once I receive the call (driving time + putting away my samples and changing into court clothes), so if you wanted me on call I probably wouldn't be taking the stand until after the lunch break unless you called before 9:30-10:00. Thank you for letting me know what you would prefer.

Hi Jim-

I hope that you received my CV. I also have a couple questions regarding the [REDACTED] trial on 3/24/11. First, I know you gave me drug Lab numbers [REDACTED] but I noticed that the defendant listed on [REDACTED] is [REDACTED] -- is this submission also part of the case? Second, I know you said you were in Bristol County and, by looking you up in the state email system, I'm guessing that this is a district court case in New Bedford. Am I correct? If not, then where is this trial being held. Thanks in advance for your help.

-Sonja
